We are one team with one purpose

INNOVATION

Our approach in creating sustainable value for our stakeholders

LEARNING

We never stop learning

OUR MISSIONS

To be the best FM service provider and recognized as the model recruitment service company in United Arab Emirates.

SERVICES

We take care of all of your hard and soft facility management services as well as many more related tasks. Here is a list of the services we provide for a wide range of clientele.

▶ **Building and plant maintenance**

We take care of “behind the scenes” at your work place. Our variety of tasks including cleaning ensures that the work space is comfortable and fully functional for its users.

▶ **Building fabric maintenance**

We ensure that your building is operational from top to bottom. We work towards improving the standards and maintaining the roof, walls, floor, and access control systems etc. of the building.

▶ **Façade cleaning**

We ensure that the exterior of the building, which is first visible to visitors, is clean of any dirt or grime and is in a presentable status.

▶ **Waste management**

Our adequately planned out waste management systems ensures that the waste removal and recycling process of your work place is adequate.

▶ **Grounds/ garden maintenance**

Our grounds and garden maintenance team ensures a natural and esthetic landscape for your space which is long-lasting.

SERVICES

▶ **Cleaning services**

We provide high-quality cleaning services to both the interior and exterior of the premises making use of the best techniques.

▶ **Guest house management**

Our goal is to ensure that your guests feel utmost comfort, by maintaining and managing the guest house, which includes cleaning and many more tasks.

▶ **Manpower services and staff support**

Staff members play a key role in the growth and development of the company. That is why we assist you in hiring the best fit for the job role through our manpower and staff support services.

▶ **Window cleaning**

Professional window cleaning offers a thorough cleaning up which removes stains and gives a new and polished look to the windows. This is exactly what we provide through our window cleaning services.

▶ **Void clearance and clean up**

We provide the best void clearance services which ensure your property is back to a usable state by eliminating health hazards, removing waste and making it safe and hygienic.

▶ **School cleaning services**

School Cleaning is a challenging task by itself due to the large number of students who are more focused on their lessons than keeping the place clean. This is where we ensure to maintain the required hygiene in an educational environment.

SERVICES

- ▶ **Estate cleaning services**

We provide professional estate cleaning services to manage the daily cleaning tasks of your facility, both indoors and outdoors.

- ▶ **Quality management system**

Quality management is the key to customer satisfaction and we follow standards and frameworks to ensure this.

- ▶ **Energy management system**

Energy management is an important component within any organization. We ensure to provide our clients with cost-effective solutions to manage energy consumption which will benefit the organization on the long run.

- ▶ **Hard FM services**

We provide Hard FM services in a safe and efficient manner ensuring to be as responsive as possible when defects occur and repair services are required.

- ▶ **Soft FM services**

We provide a range of soft FM services to a varying levels of complexity in buildings, from simple to more advanced properties and also cater a wide variety of clientele, including retail, commercial and residential.

SERVICES

Security services

- ▶ From designing to executing, we provide all of the required services in relation to providing adequate security to your organization.
- ▶ premises to ensure the safety and adequate maintenance of the same.

▶ **Home solutions**

We provide simple and cost-effective solutions for residential
